MK DANCE WORKSHOP

MK Dance Workshop, established in 2024, is owned by Melanie Smith and Katie Goodridge. At MK Dance Workshop, our mission is to create a fun, stress free environment for any and all dancers to come to and feel at home. We want students to explore, develop, and nurture creativity, to workshop their creative side. We strive to leave a lasting, positive impression on our students to not only teach them a love for dance but many life lessons along the way.
